Emergency Motion For Leave To File Petition For Writ of Habeas Corpus-2254

Emergency Motion For Leave To File Petition  
For Writ of Habeas Corpus - 2254

In order not to abuse the judicial system, process and/or procedure by filing a new lawsuit, I am pleading that these court grant me leave to file a petition for "Writ of Habeas Corpus - 2254". Filing an habeas petition will be an extension of the original complaint I already have with these court (42 U.S.C.A §1983) which is more or less in detail of the events that have preceded that as now led to my need as soon as possible file a "writ of habeas corpus - 2254" and the defendants are the same for the intended motion, therefore a new lawsuit demanding an Habeas may render it redundant/unnecessary.

I filled a civil lawsuit 42 U.S.C.A §1983 with these court May 2023 while in federal Immigration detention with no intention of filing a "writ of habeas corpus - 2254" but on June 27<sup>th</sup> 2023 around 3pm I was yet again transferred to the custody of the Tarrant county sheriff in yet another intentionally wrong/false claim of my violating bond requirement of not showing to court, which yet again is incorrect because Tarrant county and its sheriffs on two occasions voluntarily transferred my custody to Immigration and Customs Enforcement (ICE) after paying \$750 and later \$3,000.00 in bonds on or around Oct. 3<sup>rd</sup> 2022 and March 5<sup>th</sup> 2023 respectively. I have yet another bond which is even higher in the amount of \$5,000.00 (for a misdemeanor DWI charge which originally was set at \$750.00) which I am unable to afford these time due to yet again for the third time for the same crime an Immigration detainer

put on my arrest profile violating my constitutional rights which I have stated in my original complaint especially the 8<sup>th</sup> and 14<sup>th</sup> Amendments.

The events that had occurred and still ongoing happened in the courts jurisdiction, an Immigration and Customs Enforcement (ICE) facility managed by Lasalle corrections belonging to a federal agency and also the county of Tarrant, the immigration detainer on my Tarrant county arrest profile (also available on the internet) shows an immigration detainer which prevents me from using the bail bond set by the criminal court with the only option is paying \$5,000.00 cash which I am unable to afford. If it will please these honorable court to grant me leave to present a motion for "writ of habeas corpus - 2254", though I am fully aware that my case with these court is still ongoing an "initial screening" but my alternative will be to file a new lawsuit on the same defendants as I have been in alternating detention between the said defendants for 10 months and counting.

Respectfully Submitted,

Shameem, Oluwaseun
